13:00-13:30	Controversy: Is there still room for conventional treatments (adjuvant radiotherapy, chemotherapy or metastasectomy)?	<i>Chairs: Claus Garbe and Heidi Hart</i>
13:00-13:10	Yes	Heidi Hart
13:10-13:20	No	James Larkin
13:20-13:30	Discussion	
13:30-14:00	The future of SLNB and total lymph node dissection - is it going to be obsolete?	
13:30-13:40	Yes	Sze Wai Chan
13:40-13:50	No	Mark Phipson
13:50-14:00	Discussion	

MELANOMA SOCIETY SOUTH AFRICA

SKIN CANCER SYMPOSIUM, CAPE TOWN 1-2 March 2024

www.skincancersymposium.co.za

Conference Organiser: +27 21 7120571

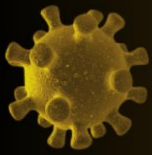

Secretariat: +27 21 9101913

Email: Skincancer@allevents.co.za

14:00-15:00	Oncogene-driven treatment of stage IV melanomas	Chairs: Dirk Schadendorf and Willie Visser
14:00-14:20	Molecular testing in melanoma: update 2023 (special reference to GEP)	Kirstin Fearnhead
14:20-14:40	Treatment of BRAF-mutated melanomas	Dirk Schadendorf
14:40-15:00	Adverse events management of targeted therapies	Willie Visser
15:00-15:30	Coffee Break	
15:30-16:30	Immunotherapies for stage IV melanomas	Chairs: James Larkin and Dagmar Whitaker
15:30-15:50	Mechanisms of immune checkpoint modulation	James Larkin
15:50-16:10	Current treatment opportunities and clinical trials	Dirk Schadendorf
16:10-16:30	Management of autoimmune adverse events	Bernardo Rapaport
16:30-17:00	KEYNOTE: Cure on metastatic melanoma on the horizon?	Chairs: Sze Wai Chan and Dirk Schadendorf
17:00-18:00	Treatment of advanced non-melanoma skin cancer	Chairs: Dagmar Whitaker and Mark Phipson
17:00-17:25	Mohs surgery for NMSC	Johann de Wet
17:25-17:45	Basal cell carcinoma, Squamous cell carcinoma,	Henriette Burger
17:45-18:00	Merkel Cell Tumour	James Larkin
18:00-18:30	Melanoma Society	Chairs: Dagmar Whitaker, Sze Wai Chan, Mark Phipson and Willie Visser
	Where are we today and where are we going?	Dagmar Whitaker
18:30	Welcome Reception in exhibition area	

Saturday, 2 March 2024

08:00-09:00	Industry Symposium hosted by Oncobeta - Personalized irradiation therapy for NMSC by Rhenium-188 skin cancer therapy: South African Clinical Experience	Prof Kgomotso Mokoala
09:00-10:00	Interdisciplinary case discussions: Melanoma (all the cases must be 10mins + 5 mins discussion)	Chairs: James Larkin and Bernardo Rapaport
09:00-09:15	Case 1	Johann de Wet
09:15-09:30	Case 2	Mia Hugo
09:30-09:45	Case 3	Sze Wai Chan
09:45-10:00	Case 4	Alex Landau
10:00-10:30	Coffee Break	

MELANOMA SOCIETY SOUTH AFRICA

SKIN CANCER SYMPOSIUM, CAPE TOWN 1-2 March 2024

www.skincancersymposium.co.za

Conference Organiser: +27 21 7120571
